DESIGN APARTMENTS WITH NICE VIEWS

€ 475.000

Rojales

2 145 m²

New project with different types of flats where you can choose between a flat with garden and terrace or first floor with solarium and lift.
The flats have 2 or 3 bedrooms with 2 or 2,5 bathrooms (1 of which is en suite), open plan kitchen with living room and terrace.
Some accommodations have a private swimming pool.
In the communal areas you will find a swimming pool, heated indoor pool, landscaped gardens, gym, barbecue, sauna and hammocks.

The unique location and high quality finish ensure that you can fully enjoy the beautiful views of the skyline of Guardamar.
Lots of light, a combination of sea and nature views and a luxurious lifestyle within walking distance of Quesada and Rojales, in the heart of the Vega Baja region in the province of Alicante.
It is one of the most important residential tourism destinations on the east coast of Spain in a very interesting environment, just 10 minutes from the beaches of Guardamar del Segura and 35 minutes drive from Alicante airport and with all amenities at hand.
