

Luxury residence in Jávea, finished in modern style.

The flats have 2 to 3 bedrooms, 2 bathrooms, modern design kitchen with open plan living area and a spacious terrace that completely blends into your interior spaces thanks to high glass windows.

All rooms are designed with an eye for detail, luxury and as much light as possible.

On the ground floor you have a private garden area and the penthouses all have their own solarium.

Each flat has an underground parking space and the option of additional storage space.

The communal areas offer swimming pools, green areas, footpaths and a bicycle shed.

The project has an excellent location with all services and facilities within walking distance: supermarkets, restaurants, bars, schools, banks,...

The coastal part of Jávea can be reached in 15 minutes walk, with beautiful beaches and promenades. Here you can enjoy water sports and hiking all year round, relax in the many beach bars or discover the local gastronomy.
