

Brand-new project of luxurious flats, finished with an eye for unique architecture.

In this block, the flats always have 3 bedrooms, 2 bathrooms, an equipped kitchen and a spacious, bright living room opening onto the terrace. The enormous windows (up to 7 metres high) create a wonderful harmony between your living space and nature.

This ground-floor flat has a private garden of 36m² opening onto a large terrace.

The flat comes inclusive of an underground parking space.

The residence features communal green areas and an outdoor swimming pool.

This project is located on the prestigious Las Colinas Golf & Country Club. The landscape and many trees provide unparalleled privacy. Besides golf, the resort also offers numerous other sports such as tennis, squash, paddle tennis, swimming and fitness. There are also cycling and hiking trails, with a length of 8 kilometres, through the forests of the nature reserve. The clubhouse is located in the heart of the resort and includes a Pro-shop, changing rooms, restaurant and bar, as well as a beautiful terrace overlooking a lake and the 18th hole.

In addition, the resort has a private, owner-exclusive beach club at Dehesa de Campoamor beach just 10 minutes away from the resort.

The resort is 40 and 45 minutes' drive from Alicante and Murcia airports respectively.
