LUXURY APARTMENTS WITH BREATHTAKING VIEWS

€ 550.000

Finestrat

2 208 m²

Stunning luxury project in a prime location, with breathtaking ocean and skyline views! Each unit features 3 to 2 bedrooms and 2 bathrooms and an open living space with ultra-modern kitchen, fully equipped with appliances. All apartments feature beautiful outdoor spaces, south facing, with views of the natural surroundings, ocean and skyline. You have different types of unit: 1. Apartments with terrace or garden 2. Duplex apartments with garden 3. Penthouses with solarium Within the complex you have access to the common parts, where comfort and luxury are the key words. In addition to an infinity pool and jacuzzi, there is also a heated indoor pool, Finnish sauna, fitness, padel courts and a co-working space. There are also landscaped green areas, through which a hiking and biking trail has been created. The project is located in Finestrat, on the mountainside of Puig Campana, and offers stunning views of the mountains, coast and the Mediterranean Sea. The center is very charming, with colorful houses and narrow streets bringing atmosphere. Finestrat offers a wide range of cultural, sports and recreational activities. Finestrat has a typical Mediterranean climate, with cool sea breezes in the summer. In winter it is pleasant as the cold north wind is blocked by the surrounding mountains. Easily accessible via the airport in Alicante, 30 minutes away.
