villa

1.295.000

, Jalon

5 2157 m²

This beautiful traditional Spanish finca is located within walking distance of the center of Jalon. The current owners have completely renovated the finca inside while maintaining the authentic characterful appearance of the finca. The property is distributed over 2 floors. The general living area offers a beautiful spacious lounge with dining area, a fully equipped kitchen equipped with all contemporary appliances, a guest toilet, a laundry room, 2 double bedrooms, one bathroom and the master bedrooms with bathroom en suite. On the first floor there is a spacious second salon which also has its own entrance. There are also a double bedroom, a bathroom and a fifth double bedroom with bath. The finca is located on a very spacious plot and offers in addition to the swimming pool with terrace various other seating areas including a beautiful spacious covered terrace from where you can enjoy the Mediterranean climate 365 days of year
