NEW PROJECT WITHIN URBANIZATION IN MURCIA

€ 228.000

Torre-pacheco

3 80 m²

New project with exclusive maisonettes, designed for 2 to 3 bedrooms and 2 bathrooms, all with a terrace on the second floor and solarium for the upper floor units.

The functional interiors have high-quality floors, fully equipped kitchens in white combined with wood, including electrical appliances. The bathrooms have a vanity with sink and lighting. The bedrooms have built-in closets with sliding doors, and each home has a pre-installation for ducted air conditioning.
Outdoor spaces include a community pool and a sports area with children's playground on artificial turf to enjoy.

The project is located in Roldán, in Murcia. They are within El Alba Residential, a closed urbanization where soon a sports center will open with 4 padel courts, bowling alley and cafeteria / bar. Furthermore, you have all the necessary services and facilities within walking distance: bars, restaurants, banks, supermarkets etc.
